Advanced RCC: Treatment Considerations in Local Practice

A detailed anatomical illustration of a kidney in cross-section. A red, irregularly shaped mass representing a renal cell carcinoma (RCC) is visible within the kidney's cortex. The surrounding renal structures, including the renal pelvis and calyces, are shown in shades of purple and blue. The background features a soft-focus image of a kidney and a blue-toned anatomical structure.

Saturday • 4th March 2023

5.30 pm – 6.25 pm

**Connexion Conference and Event Centre
Bangsar South**
